**Further information when personal advice is given**

We will provide you with further information whenever we provide you with advice, which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice **(SOA)**.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

**Product disclosure statement**

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement **(PDS)**, unless you already have an up to date PDS from the insurer. The PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that product.

**From when does this FSG apply?**

This FSG applies from 22/10/2024 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

**How can I instruct you?**

You can contact me to give me instructions by post, phone, or email on the contact number or details mentioned on page 1 of this FSG.

**What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?**

---

**Will I receive tailored advice?**

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange or issue insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

---

**Contractual Liability and your insurance cover**

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

If you wish to look at your file, please ask us. We will arrange for you to do so.

---

**How will I pay for the services provided?**

Payment for the services we provide you are payable directly to Metrix Connect. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges, and levies. Metrix Connect often receive a payment based on a percentage of this premium (excluding relevant taxes, charges, and levies) called commission, which is paid to Metrix Connect by the insurers. In some cases, you will also be charged a fee. These will all be shown on the invoice that is sent to you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay Metrix Connect within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay us your premium it will be banked into Metrix Connect trust account. Metrix Connect will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with Metrix Connect arrangements with the insurer. Metrix Connect will earn interest on the premium while it is in their trust account or Metrix Connect may invest the premium and earn a return. Metrix Connect will retain any interest or return on investment earned on the premium.

---

**How are any commissions, fees or other benefits calculated for providing the financial services?**

Metrix Connect commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = Metrix Connect commission

Y% = the percentage commission paid to Metrix Connect by the insurer. Metrix Connect commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

We will receive up to 92% of Metrix Connect commission.

We also receive up to 92% of any fees that **Metrix Connect** or we charge you.

Metrix Connect does not and I do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 92% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

**Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?**

Metrix Connect is a Steadfast Group Limited (Steadfast) Network Broker. As a Steadfast Network Broker, Metrix Connect has access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

You can obtain a copy of Steadfast's FSG at [www.steadfast.com.au](http://www.steadfast.com.au)

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 4% of funded premium. When we arrange premium funding for you, you can ask us what commission rates Metrix Connect are paid for that funding arrangement compared to the other arrangements that were available to you.
